LED

IP20

GENERAL INFORMATION:

The Anime LED pendant light is handcrafted in an Italian design manufactory. The almost invisible LED module with one upper and one lower light in 3000K makes the black crystal coating in the curved inner part of the lampshade sparkle upwards and emit light downwards. The Anime lamp seems to float elegantly and weightlessly in the room. The exterior can be customized in a variety of exquisite designs.

FINISHING:

Galvanic metal finishes, Gold 24 Karat, Custom RAL

BODY:

Rock crystal carpet and metal

VOLTAGE:

110-277V

LIGHTING:

LED
