

PROJECT

SPECTYPE

NOTES

GENERAL INFORMATION:

The Ama by Cerchio Lighting is a breathtaking lighting fixture inspired by the beauty of marine life and the artistry of traditional Japanese pearl divers. Featuring exquisite hand-blown crystal glass elements, it captures the essence of delicate bubbles floating effortlessly in water. The Ama combines organic elegance with modern design, making it a perfect choice for creating serene, nature-inspired atmospheres in luxury interiors. With its exceptional craftsmanship and subtle hues, it functions as both a sophisticated lighting solution and a striking artistic centerpiece.
