NOTES

GENERAL INFORMATION:

The Glass Twocan suspended lighting fixture showcases a modern and minimalist design crafted from aluminum. Available in 3 models, it features a sleek black finish, enhancing any indoor space with its understated elegance.

This fixture is equipped with powerful LED lighting options (20W or 40W), operating at 110-277V. It offers color temperature options of 3000K and 3300K and supports suspension mounting. Dimming options include 0-10V and Non-Dimmable, providing flexibility in lighting control. Certified to ETL standards, the Glass Twocan is perfect for adding a touch of modern
