GENERAL INFORMATION:

Lush, large in dimensions, with a hinting but unmistakable design: Banana Leaf is the hanging lamp. Its stylised shape clearly recalls large banana leaves, under which to rest in the shade while planning, perhaps, your next holiday. Banana Leaf with homogeneous light emphasises its veins, for scenic effects in large indoor and outdoor spaces. It can be used individually or in endless composition possibilities. Banana Leaf is also available as a wall lamp or as a coloured, non-luminous decorative complement.
