NOTES

GENERAL INFORMATION:

The MR PHILLI Pendant is a stylish and versatile lighting fixture designed to enhance any modern space with its elegant blend of glass and metal. Operating at 110-277V with an E26 socket supporting up to 60W, this pendant provides a warm and inviting glow. With an IP20 rating and Appliance Class 1, it is ideal for indoor use. The glass finishing options include frosted or transparent, while the metal frame is available in white, black, brass, copper, silver, or gold, allowing for seamless integration into various interior aesthetics.
