GENERAL INFORMATION:

The ARCO (Single Fixture) is a contemporary decorative pendant designed to bring elegance and fluidity to modern interiors. Featuring a gracefully curved form suspended by fine cables, ARCO creates a sculptural lighting element that enhances both residential and commercial spaces with its refined balance of artistry and function. Crafted from glass and metal, the fixture combines durability with a sophisticated aesthetic. The smokey transparent glass finishing provides a subtle diffusion of light, while the brushed gold accents add a touch of luxury and warmth. Powered by LED technology, ARCO ensures energy-efficient performance with long-lasting illumination.
