

ACACIA LUX
(PENDANT)

PROJECT

SPECTYPE

NOTES

E26

IP20

GENERAL INFORMATION:

The Acacia LUX is a contemporary pendant lighting system designed to merge warm filament illumination with lush biophilic styling. Featuring individual E26 pendants suspended beneath a dense canopy of greenery, this fixture creates a soft, organic atmosphere ideal for hospitality, dining, and residential environments. Its metal body construction is offered in matte white, matte black, or custom finishes, with universal 110–277V compatibility and direct light distribution for ambient, welcoming illumination. Compact canopy sizing, multiple finish options, and the natural aesthetic of cascading foliage make the Acacia LUX a versatile decorative statement that enhances interiors with warmth, texture, and modern botanical elegance.
