

FLORUM AMBERA (PENDANT)

PROJECT

SPECTYPE

NOTES

0LUTRON CASAMBI

GENERAL INFORMATION:

This elegant botanical suspension system blends modern architectural lighting with natural biophilic elements, featuring a refined brushed-metal ring design paired with softly diffused opaline silicone optics. Engineered for both performance and visual impact, the fixture delivers powerful, direct LED illumination across a range of wattages and diameters, all operating on 110–277V with an IP20 rating. Its modular dual-ring structure supports customizable top and bottom light outputs, multiple dimming protocols—including 0–10V, DALI, Casambi, and Lutron—and optional advanced features such as remote emergency, occupancy sensing, and daylight harvesting.

OPTICS:

Opaline-finish Silicone

FINISHING:

Brushed metal finish

BODY:

Metal body construction

VOLTAGE:

110-277V
