GENERAL INFORMATION:

The GREENFALL is a contemporary decorative pendant system designed to bring a lush, organic aesthetic into modern interiors. Featuring polyethylene green foliage paired with softly illuminated globe diffusers, this fixture creates a natural canopy effect ideal for hospitality, retail, and residential spaces seeking a warm, biophilic touch. Available in two diameters (25 cm and 30 cm) with E26 lamping and compatible with 110–277V, it offers flexible drop heights to suit various ceiling conditions. The fixture is crafted with durable materials, carries an IP20 rating for indoor use, and is offered in both glossy and matte finishes—making it a versatile, visually striking lighting solution that harmoniously blends nature-inspired design with contemporary elegance.
