GENERAL INFORMATION:

The LEAF LOOP is a contemporary LED chandelier that blends architectural elegance with natural warmth, featuring three softly illuminated polyethylene rings suspended in a cascading formation around an integrated planter. Designed to bring biophilic elements into modern interiors, it provides both functional ambient lighting and a striking decorative centerpiece. Available in multiple diameters and powered by high-efficiency LED modules with 90 CRI, the fixture offers versatile performance for residential, hospitality, and commercial environments. Its refined lighting-white finish, integral drivers, and clean minimal design create a seamless, modern aesthetic that enhances any space with a harmonious balance of light and greenery.
